EXPERIENCE

Design Intern, Marks Part of SGS and Co. May 2024 - August 2024

- Adapted creative concepts into packaging layouts for an American retailer, ensuring compliance with brand guidelines and regulatory standards.
- Created line art illustrations, mock-ups, and presentation decks, managing and organizing design files for seamless production.
- Managed project workflows by tracking and completing revisions and collaborating with cross-functional teams to meet deadlines efficiently.

Print Shop Monitor, OCAD University October 2023 - May 2024

- Managed the export and preparation of small and large format prints, vinyl cutting, bookbinding, and business cards, ensuring client specifications and deadlines were met.
- Assisted students and members of the public by guiding proper file export for printing purposes.
- Conducted inventory assessments using Excel, maintaining adequate supplies to support seamless operations.

Gymnastics Coach, Spartan Gymnastics January 2019 - September 2023

- Organized, led, and managed engaging birthday parties, camp activities, and gymnastics classes, creating memorable experiences for participants across various age groups.
- Communicated with parents and guardians to provide progress reports on athletes' skill development and assess individual skill sets.
